

Energy Managers Conference

On Tuesday 28th November, we hosted our annual 'Energy Managers Conference' at The Montgomery Waters Meadow, home of local football team, Shrewsbury Town FC.

The event was well attended as we welcomed many WME customers. The agenda was packed with speakers lined up to give independent information, advice and guidance on all things energy, throughout the day.

The whole WME team joined the conference for lunch as staff and customers enjoyed catching up and in some instances, meeting for the first time.

The event was a rousing success with positive feedback received from all attendees on the quality of presentations and the variety of topics covered throughout the day.

A big thank you to all our guest speakers and customers who attended; we look forward to welcoming you back next year.
